Finish Collection

Blue Anchor Fiberglass Pools are made with the highest quality materials on the market. Our SunCoat[™] Pool Finish provides the ultimate safeguard against corrosion and blistering that can compromise lesser pools. This gelcoat surface also enhances the brilliant color that glimmers in the sunlight and never fades.

The result is a pool shell that is both beautiful and durable, with the strength and flexibility to withstand soil shifts and temperature changes. With five stunning colors to choose from, there is an option for every home's aesthetic. Let us help you pick the perfect finish for your backyard escape!

Coastal Bronze

Ocean Blue

Sapphire Blue

NOTE: Colors are represented as closely as the printing process will allow. Please ask your pool representative for a physical color sample to ensure you receive the results you are looking for.

Safety First

Your awareness and understanding of safety practices and rules pertaining to the use of your pool can reduce the risk of serious injury.

Read the **Pool & Hot Tub Alliance's** excellent brochure, "*The Sensible Way To Enjoy Your Inground Swimming Pool*", to learn how to avoid swimming-related accidents.

For the continued enjoyment of your backyard swimming experience, please follow the following safety tips:

- Don't allow diving or jumping into your pool.
- Remember, alcohol consumption and swimming do not mix.
- Carefully supervise all the swimmers in your pool especially small children. They're your responsibility!
- · Always secure your pool from unsupervised and unauthorized use.
- Make sure signs, stickers, and labels are posted and clearly visible, and that rescue devices, such as life rings or ropes, are nearby.

Caution: The use of diving and sliding equipment can be hazardous. Imperial Pools, Inc. does not recommend the use of these appliances. If used, care should be exercised to use only equipment meeting the recommended safety codes established by the Pool & Hot Tub Alliance. Blue Anchor Pools™ are designed and intended for private residential use only.
