

premium aluminum fencing

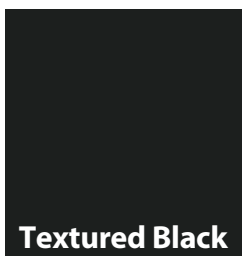

Elements Aluminum Fencing is a Great Value. Strong, Low Maintenance, and features a Lifetime Warranty.

Long-lasting Powercoat™ Finish over Ultrum™ alloy with 5/8" Pickets and sleek 1-1/8" x 1" Rails.
Elements aluminum fence meets local and BOCA pool codes.

COLOR

Available in Textured Black. All components of your fencing are color-matched, with a special Powercoat™ finish to resist harsh weather and the sun.

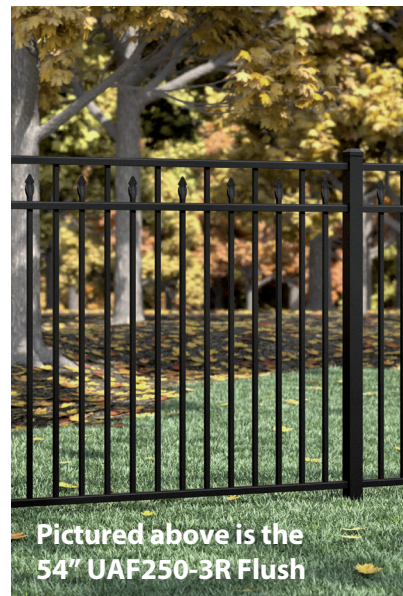

Colors shown represent an approximate comparison and may vary slightly from Actual product color. Additional colors are available upon request.

ADDITIONAL INFORMATION

All components are extruded from Ultrum™ alloy, with a minimum ultimate strength of 35,000 psi.

We proudly use recycled aluminum in our products. Aluminum is the most commonly recycled metal in the world. Our Powercoat coating process is environmentally friendly and virtually pollution-free.

Elements fence products are guaranteed for life in workmanship and/or materials. The Powercoat™ finish is guaranteed for life against cracking, peeling or chipping.
